

Pharmacy services made simple.

Pharmacy services – from the comfort of home.

With personalized support to improve health outcomes, our pharmacy gives patients convenient and affordable access to medication and pharmacy services – all from the comfort and privacy of home.

It's pharmacy in the palm
of your hand, available
on GreenShield+

An end-to-end pharmacy experience

Transfer prescriptions, order medication refills, and talk to a pharmacist (via call, or virtual appointment) – all in just a few clicks on GreenShield+.

Stress-free medication management

Improve adherence by selecting auto-refill reminders and pre-sorted medication packs.

Support from our clinical team

Count on our team to review prescriptions, monitor safety, and personalize treatments to ensure optimal medications and dosages for better health outcomes.

We speak your language

We can provide our pharmacy services in over 240 languages and dialects, including ASL, with the assistance of a live medical interpreter.

Cost savings and speedy delivery

Free delivery anywhere in Canada! Free delivery of health essentials from the Health Store when ordered with a prescription.

Family accounts

Add other people such as children or aging parents to a single profile for family medication management in the GreenShield+ app.
