

Cuban travel requirements – confirmation of travel insurance policy required

Effective May 1st, 2010, the Republic of Cuba is requiring all travellers, foreigners and Cuban overseas residents to possess a travel insurance policy (covering medical expenses) that has been issued by an insurance entity recognized in Cuba.

Green Shield Canada is pleased to inform that our emergency out-of-country travel coverage is administered by Mondial Assistance, a provider which is recognized by the Republic of Cuba's government. If you have active emergency out-of-country travel coverage through Green Shield Canada, you will not have to purchase any additional coverage. However, you will need to provide documentation to prove your coverage.

When travelling to Cuba, as a plan member with emergency out-of-country travel benefits, you should carry with you:

1. **Provincial Health Card**
2. **Proof of insurance** – Your Green Shield Canada ID card is all you need.
3. **Proof of a contractual relationship with a recognized provider** – Please print the letter below as proof of this relationship.

These three documents are sufficient to allow Green Shield Canada plan members into Cuba without the need of additional insurance. It is possible that you will hear varying opinions on what documents are required to prove your coverage. For the time being, we recommend that you carry all three documents with you.
